

## Protection for the Cargo Area of SUV's, Cross-overs, Wagons & Pickups

**Over 225 Custom-Fit patterns.**

- Split seat-backs still operate (if equipped).
  - Tie-downs secure to factory D-rings.
- Custom-Fit also include a fold-out bumper cover flap for addition protection.
  - Tough, waterproof, urethane-coated polyester fabric available in four colors.
  - Hose off to clean, hang & air dry.

**Three sizes of  
Universal-Fit  
patterns also  
available in two  
colors**

# Pattern Application Guide

Check for the latest pattern updates on our web-site  
[www.covercraft.com](http://www.covercraft.com)

**UNIVERSAL** patterns available in Tan (TN) or Gray (GY). Add color code to end of part number.

Choose from: PCL6001 - MD - approx 48 to 52 inches wide x 57 inches long

PCL6002 - LG - approx 60 to 64 inches wide x 80 inches long

PCL6003 - XLG - approx 62 to 66 inches wide x 102 inches long

(recommended size usage noted below)

**CUSTOM** patterns - note the pattern number and add the color code to end of pattern number:

Tan (TN), Taupe (TP), Black (BK) or Gray (GY) - i.e., PCL6222 in GRAY is PCL6222**GY**

|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |
|                  |        |      |                  |        |      |

**NOTE -** Cargo Area Liner patterns are designed to go from the rear of the vehicle, covering the floor area and UP the back of the second (2nd) row of seats (the seats behind the driver/passenger seats), and will work with the seat in either the up or down position. **Patterns with double asterisk (\*\*)** go from the rear of the vehicle and UP the back of the **THIRD (3rd) row of seats** (a smaller cargo area).

# Pattern Application Guide
