Custom-Fit Cargo Area Liner protects the entire floor area and seat back. Hook & loop strip allows split seats to operate.

Custom-Fit Cargo Area Liner is designed to allow split seat backs to work in the up or down position for added cargo flexibility.

Custom-Fit Cargo Area Liner has a bumper flap that easily pulls out from underneath when needed.

Custom-Fit Cargo Area Liner shown with bumper flap stored helps protect your cargo area from dirt, scrapes & stains.

Features:

Cargo Area Liner easily attaches around vehicle headrests with adjustable straps and side-release buckles.

Multiple tie-downs, as needed, attach to existing cargo hooks.

Finished edges and custom-fit hook & loop closures for split seat applications.

See application guide # 653 for custom patterns.
