

In the spring of 2014 the Ford Mustang will celebrate 50 years as an American icon.

In honor of becoming the newest member of a very exclusive club – vehicles in continuous production for 50 years – Ford created a custom logo to memorialize the occasion.

Only 50 companies will be licensed to sell these commemorative special edition products. Covercraft is proud to be one of these select few, offering both our custom-patterned car covers and UVS100® Windshield SunShades.

Mustang created the “muscle car” segment in the automotive industry, a design that not only turned heads on the street but also dominated in racing, capturing the hearts of loyal fans everywhere.

For a limited time Covercraft is offering all Mustang custom-patterns for car covers and UVS SunShades with the option of a special edition Mustang “50 years” silk-screened logo (with or without border).

Choose from any of our custom cover fabrics for your Mustang cover, and don't forget the UVS SunShade now available in five (5) colors.
