

# Soft-as-Flannel Protection

## BLOCK-IT\* Fabric DUSTOP\*

From Kimberly-Clark's state-of-the-art nonwoven technologies: a fabric that provides **twice the dust protection of woven flannels** while providing comparably soft protection for your car's finish.

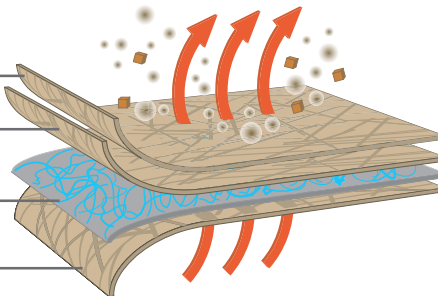

- Thicker, for better protection against scratches, dents and dings.

**Soft Bicomponent Spunbond Layer**

**Bicomponent Spunbond Layer**

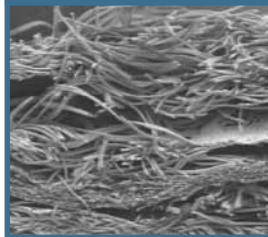

**Meltblown Barrier Layer**

**Soft Bicomponent Spunbond Layer**

- Tests show that DUSTOP\* does not reduce the gloss of clearcoat paint.
- More lightweight than flannel and just as soft.
- Offers short-term protection from moisture in light rain.
- Available in tan.
