

The leader in vehicle protection products since 1965!

World's largest manufacturer of custom vehicle covers.

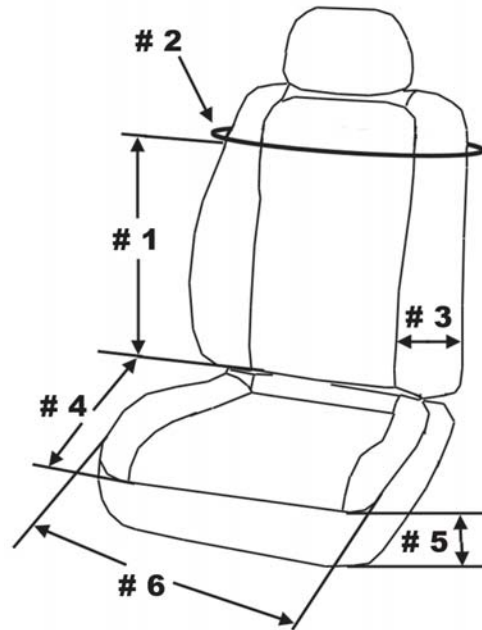

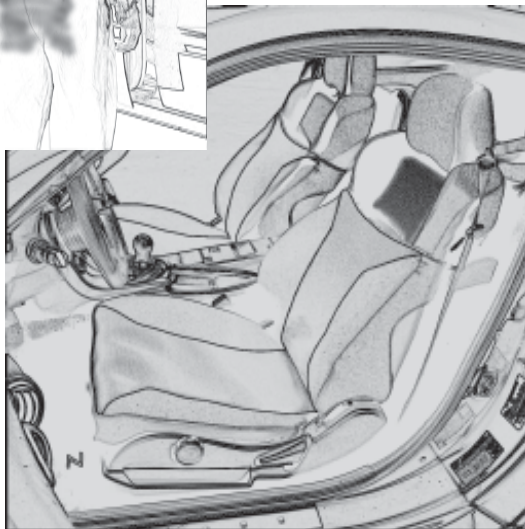

SEATGLOVES™

Semi-Custom Comfort Seat Protectors with **COOLMAX®** Seating Panels

SeatGloves Coolmax fibers are placed on top a 1/8 inch thick D3 warp knit spacer fabric to wick moisture and assure breathability **so you won't have that hot, wet, sticky feeling like you do with neoprene seat covers!**

Semi-custom patterned for bucket seats, SeatGloves high-performance Coolmax seating panel assures you stay comfortable - helping you drive better...

If your vehicle is not listed, use this chart to determine which SeatGloves™ fit your seat. (all measurements are in inches)
