

CarPocket® Indoor Storage Protection

**Protect Your Vehicle from Moisture, Dust, Bugs, Rodents, UV Rays,
& Other Potential Damage**

MDM Products CarPockets® are the ultimate protection answer for the Collector or Car Enthusiast to preserve their vehicle in pristine condition for long term or seasonal indoor storage. The CarPocket® provides the best in instant and portable protection for any vehicle. Flexible uses include vehicle protection, outdoor furniture storage, and equipment/material storage. The stylish unit provides extra space along the sides of the enclosure, with maximum girth near the center ridge. CarPockets® protect and enclose the bottom and all wheels/tires of the vehicle unlike competitive

covers that drape over the vehicle. Unauthorized inspections are completely prevented. All vehicles should have a soft cover/material (not included) put over the painted surfaces before applying the CarPocket® over the entire vehicle. A small dessicant block is provided to be put into the bottom of the CarPocket® to eliminate trapped moisture within the enclosure. MDM Products CarPockets® come complete with a Storage Bag with handles to easily and conveniently store the cover when not in use.

CyclePocket® Indoor Storage Protection

**Protect Your Vehicle from Moisture, Dust, Bugs, Rodents, UV Rays,
& Other Potential Damage**

MDM Products CyclePockets® are the ultimate protection answer for the collector or cycle enthusiast to preserve their vehicle in pristine condition for long term or seasonal indoor storage. The CyclePocket provides the best in instant and portable protection for any two wheel vehicle. Flexible uses include cycle protection, bicycle storage, and equipment/material storage. The stylish unit provides extra space along the sides of the enclosure, with maximum girth near the center ridge. CyclePockets® protect and enclose the bottom of both wheels/tires of the cycle unlike competitive covers

that drape over the cycle. Unauthorized inspections are completely prevented. All cycles should have a soft cover/material (not included) put over the painted surfaces before applying the CyclePocket® over the entire vehicle. A small dessicant block is provided to be put into the bottom of the CyclePocket® to eliminate trapped moisture within the enclosure. MDM Products CyclePockets® come complete with a Storage Bag with handles to easily and conveniently store the cover when not in use.
