

# INSTALLATION & CARE

## CUSTOM SUNSHIELD INSTALLATION

### 1. Unroll Sunshield

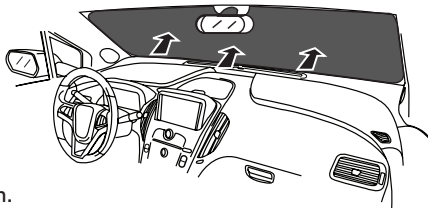

Release the velcro strap and unroll your sunshield.

**TIP:** To clean your sunshield, wipe with a damp cloth.

### 2. Install Sunshield

Place the sunshield inside the windshield behind the rearview mirror, with the logo facing outward.

### 3. Secure Sunshield

To keep your sunshield in place, lower both sun visors.
